

OT-ISAC Virtual Summit / 20

SEPTEMBER 10, 2020 9AM - 5PM (SGT)

“SECURING THE FUTURE”

SAFEGUARDING CRITICAL ASSETS

REGISTRATION CLOSING SOON
LIMITED COMPLIMENTARY SEATS

ORGANISED BY

OT-ISAC Virtual Summit 2020 brings together CISOs and practitioners from Asia to collectively shape security best practices and strategies in ICS/OT.

To maximise the value of this exclusive VSummit, we will be limiting the number of attendees. Priority will be given to experts and practitioners from appropriate domains with whom discussions will have the optimal impact and relevance.

ICS SECURITY KEY TOPICS

Evolving Industrial Cybersecurity:
IT/OT Convergence

Governance, Risk & Compliance

Third-Party & Supply Chain Risk

Industrial Control Systems and Critical Infrastructure

REGISTER NOW!

Registration is open until 7 September 2020, 23:59 (GMT+8)

ABOUT THE ORGANISERS

The Operational Technology Information Sharing and Analysis Centre (OT-ISAC) was jointly launched by Cyber Security Agency of Singapore (CSA) and Global Resilience Federation (GRF) in 2019. The OT-ISAC is the first of its kind in Singapore, and was created to protect OT Critical Information Infrastructure through security information exchange among OT-ISAC members, vendor partners and government.
